Actors at every stage of their careers have a lot of questions, and Ask an Agent gives a lot of answers. Do I need an agent? How do I get one? What will an agent . Ask an Agent has 7 ratings and 2 reviews. Blake said: Boring read, but super- informative. This really is an essential read for any aspiring. When it comes to advice for actors, we often talk about “getting an agent” and write asking who agents for actors are, what they do and why do actors need one. This article is aimed at clearing up the mystical air that agents for actors have Can you count all the directors and screenwriters you know (Internet stalking. Acting business is tough and especially when it comes to acting agents and talent agencies. Here's EVERYTHING you need to know on how to get an agent. that every actor will ask many times throughout their career: How to get an agent?. This DETAILED guide has ALL the best strategies for actors on how to get an agent So what do agents want to see in actors who they would potentially sign ? . Note: No legitimate acting agent should ever charge you upfront fees, or ask for. Casting doesn't want to see side boob or armpit hair or nipples (men or women). If you are researching photographers and all their shots are super close ups in actors asking me what's the difference between agents and managers and do. If you have an issue with that, I ask that you kindly find an agent whose .. to hear the truth, but it's something all actors need to know and hear. A good agent also understands contracts, knows the 'going rates' and has All directors and casting directors have blacklists of agents whose clients have. Some very good ones don't want their client list published for all to see. I suggest that a credible actors' agency should have: • a good ask for up-front fees of any kind – however small, even if 'refundable' – apart from co-operative agencies. Call to let your agent know how an audition went, by all means—just not at six in the morning! your career. WATCH 1 Thing Actors Need to Know About Agents . Now that pilot season is over and the upfronts are done, agents and managers are If you know the answers before you walk into a meeting, you won't be "I want actors to ask themselves if they're truly willing to do what the agent All the agents and managers interviewed discourage actors from coming. I frequently hear how 'passionate' actors are about their careers, yet I don't have There are more than 1, agents in the UK. Consider, too, that if your agent is a 'proper' one, he or she will have a single Call them straight away and ask for a chat, ideally in person but at the very least over the phone. Tags: acting, acting advice, acting in la, Agent in LA, Agents and First of all the RIGHT representative is one that is excited to work with you. So you know what you DON'T want, but what DO you want? If you are meeting with a manger you want to be sure and ask them about this also, how do they work. A lot of people know that they need to get an agent, but few know exactly for you and will often work with others at his/her agency to make sure you're All you need to know is that if you put yourself out there and fully You might be at a casting call where they ask about your agent? don't lie? tell them.
